

CHATEAU MORRISETTE

Wine Spec Sheet

Our Dog Blue

Winemaker's Description

This refined blend of Riesling, Traminette, and Vidal Blanc possesses a delicate nose that subtly displays aromas of honeysuckle, orange blossom, Bosc pear, and tart apple. The crisp acidity is balanced with a hint of sweetness creating a delightfully refreshing and easy to drink wine.

The fruit came from vineyards that were meticulously managed to promote the beautiful floral and citrus qualities present in the wine. Stainless steel fermenters were employed to allow the fruit to express itself unfettered by oak influence resulting in this refreshing, crisp, off-dry treat.
