

CHATEAU MORRISETTE

2015 Cabernet Sauvignon

Winemaker's Description

Cabernet Sauvignon is a classic choice for the red wine drinker and this Virginia example does not disappoint. Complex aromas of black cherry, currant, and a faint herbaceous character are combined with rich fruit and barrel derived flavors on the palate.

Our 2015 Cabernet Sauvignon was produced with fruit from one of our quality growers in Tyro, VA. It was fermented in a stainless steel tank and aged in a blend of American and French oak for 18 months.

Laboratory Specifications

Alcohol: 13

pH: 3.64

Titratable acidity: 6.3

Residual sugars: 0

UPC: 012731198642
