

CHATEAU MORRISETTE

2017 Chambourcin

Winemaker's Description

Our 2016 Chambourcin treats us visually first with a deep dark red with purple hues. On the nose this wine expresses concentrated notes of cherry and cranberry with nuances of chocolate and toasted oak. On the palate this wine offers flavors of black cherry, plum, pomegranate, and green tea. These flavors and aromas are accentuated by a big burst of juicy acidity and then left to linger on the tongue with soft and supple tannins.
